WESTERN GOLD LOAN

OUR SERVICES

What We Offer

At Western, we understand the value your gold holds - emotionally and financially. That's why we offer a range of trusted services designed to meet your immediate needs and long-term goals. Whether you're looking for a quick loan, planning to sell old gold, or save for the future, we're here with the right solution.

Gold Loans

We provide instant gold loans with minimal documentation, low interest rates, and quick disbursement. Your gold stays secure in our high-security vaults while you get cash in just minutes.

Old Gold Buying

Sell your old, unused, or broken gold at the best market price. We ensure 100% transparency with computerized evaluation, no hidden charges, and instant payment through cash, bank transfer, or UPI.

Gold Testing

Test your gold with our advanced machines at the lowest cost. We ensure 100% transparency with computerized evaluation, accurate results, and complete trust - giving you peace of mind before you decide.

*"More than gold,
we value your trust.
At Western, trust is pure as gold."*

GOLD LOAN PROCESS

How Our Gold Loan Works

01 Bring Your Gold

Walk into your nearest Western branch with your gold ornaments. Our friendly staff will guide you through the process. No need for advance booking or complex documentation.

02 Get Instant Evaluation

We use advanced, high-precision German machines to assess the purity and weight of your gold right in front of you. The entire evaluation process is transparent, quick, and 100% trustworthy.

03 Accurate Gold Testing

At Western, we use our own advanced, high-precision gold testing machines to check the purity and weight of your ornaments. The process is done transparently in front of you, ensuring complete trust and fair valuation.

04 Receive Instant Cash

Once you finalize your plan, the loan amount is disbursed immediately - in cash, through bank transfer, or UPI, based on your choice. The entire process takes only a few minutes.

SECURE VAULT STORAGE

Your gold is stored in highly secure, CCTV-monitored vaults with restricted access and 24x7 protection.

COMPLETE TRANSPARENCY

Gold testing and valuation are done in front of you - no melting, no hidden charges.

SECURE VAULT STORAGE

You can close your loan anytime without extra charges. We make it simple and fair to repay early if you choose.
